Questions for Customer

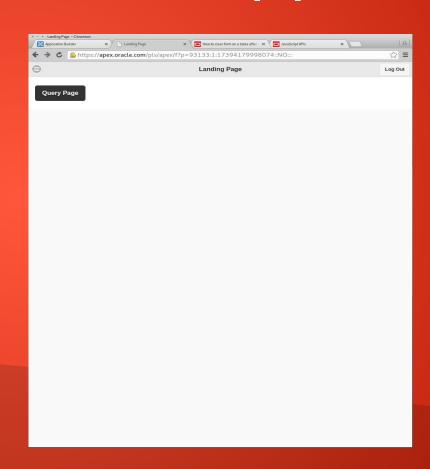

- Should anyone be able to make an RFE request (Chair person, Exec director, etc)?
- What are the responsibilities for a contact?
- What is an FYI Reviewer? What can they do? Similar to a CC email?
- What information is necessary for a system admin, lab director, chair person, or executive director to make a decision on whether or not to approve a person?
- 2-3 more concrete examples of RFE requests?
- Beyond 'Inbox', 'Previous RFEs', and 'ADV Search', what else would a user with approval privileges want to see?
